Special Projects

3.) List the areas of the Province to be served by the project.

4.) State the population to be served by the project.

5.) If applicable, how will the project be integrated with existing solid waste-resource management programs in the area(s) to be served?

6.) How will the project be sustained beyond the approved program-funding period?

7.) How many new jobs will the project create?

Special Projects

8.) List any innovative aspects of the project (if applicable).

9.) What is the proposed project implementation schedule?

10.) Are there project milestones (2 to 3 only) that could be used to trigger payment of any approved program funding? If so, please list.

11.) Does the project require Federal, Provincial and/or Municipal approvals or permits? If so, please provide details.
